Dear Guest,

Welcome to our one-cook kitchen.

We only have one Chef on and we make all our food fresh to order. This means you get quality, but quality comes at a cost and the cost here is time. If you look around and see lots of people, it likely means there will be a small wait for your food. Rest assured we will feed you as quickly as we can whilst keeping our food standards high. We think it’s worth the wait.

Pop up to the bar to order once you have decided, then you can sit back and enjoy the scenery.

“Food should be more than just energy; it should be an experience”
